Coolant Thru Carbide Shanks for the cost of steel? **YES**

Ramstar has expanded its product line to now offer carbide coolant thru screw-on shanks. The beauty of this offering is that you can choose whichever head and inserts you desire (Ingersoll, WIDIA, Iscar, Pokolm and etc.). They are also with ground clearance to ensure optimal performance without interference.

Give our team a call and let us show you another way to improve your productivity and savings!

Ramstar Carbide Shanks
